## WORK EXPERIENCE

### BICKEL GROUP ARCHITECTURE - ARCHITECTURAL STAFF

JUNE 2023- PRESENT

This current position entails opportunities to work as a Designer, Drafter or Job Captain on retail and commercial projects at Bickel Group. Skills being practiced here are learning entitlement phases, bid processing, client presentations, and much more. These skills are worked within AutoCAD, ArchiCAD, and Adobe Suite.

### CALIFORNIA BAPTIST UNIVERSITY - ADJUNCT PROFESSOR

AUGUST 2022 - MAY 2023

As an Adjunct Professor at California Baptist University I was given responsibility to run a Freshman architecture studio class, that focused on design principles for abstract drawings, sketching, and drafting. I am grateful for this position as it honed my mentorship and teaching skills for younger students.

### SGH ARCHITECTS - ARCHITECTURAL INTERN

MAY 2022 - AUGUST 2022

As an intern, I worked on Design development for K-12 Schools, Commercial buildings etc. As well as worked on specific and master plans for the Esri campus in Redlands, CA. Developed Renderings, Construction Documents, Drafting, Construction Admin, DSA, Design Development, etc. Working within 12 different projects this position gave me the responsibility to achieve deadlines in a timely manner and efficiently. Worked in programs such as Revit, AutoCAD, SketchUp, Adobe Suite, Bluebeam.

### MAGIC WATER SUPPLY - CONSTRUCTION INTERN & ASSOCIATE

JULY 2019 - JULY 2021

This job allowed me to gain more experience in work life balance, while we supplied products and return order storage for Amazon Warehousing. The work revolved around learning tilt up structures, wall stud placement, rebar calcs, roofing, drywall, etc. This internship was a more hands on job, while I worked the construction position for over 6 months. Worked here for two years as I earned the trust and responsibility from my leaders to work longer than an internship.

## EDUCATION

### CALIFORNIA BAPTIST UNIVERSITY - MASTER OF ARCHITECTURE
